Request for additional annual leave

Under Additional Annual Leave, the University provides a number of days of additional leave to the employee. At the same time, the employee’s annual salary is reduced by an amount equivalent to the number of days leave being taken; each day considered to be about 1/260th of a year.

You are able to join Additional Annual Leave by 30 September, to claim up to 10 days additional leave in the next leave year, OR by 31 March to claim up to 5 days leave in the remainder of the leave year.

I confirm that I want to participate in Additional Annual Leave. I understand that my salary will be reduced until the end of the leave year by an amount equivalent to the salary for the number of days I have requested above; each day considered to be about 1/260th of a year. At the end of this period, my salary will no longer be reduced by this amount.

I understand that through joining Additional Annual Leave at this time, I will not be able to cease this arrangement, unless I experience a Lifestyle Event.

I am aware that, if a member of USS or the University of Sheffield Pension Scheme, I will have to pay the University's pension contribution for the period of leave.

I also understand, that should I leave employment with the University prior to the end of the leave year, that any outstanding leave which I have purchased will be deducted in my final salary.

Please Note: As additional leave is used before annual leave entitlement, any unused (pro-rated) annual leave will be paid in your final salary, (subject to agreement with your head of department). This would potentially offset the payment of the additional leave deduction in your final salary payment.

I confirm that I have read and understood the changes to my terms and conditions.

Please return pages 1 and 2 of this form to your HR Team in Human Resources.

The University will arrange for your salary to be reduced for Additional Annual Leave, and for your leave record to be updated on myJob. Please keep a copy of this form, and the changes to your terms and conditions for your records.

NOTIFICATION OF CHANGES TO TERMS AND CONDITIONS OF EMPLOYMENT FOR MEMBERS OF ADDITIONAL ANNUAL LEAVE

The statement of terms and conditions in your contract of employment with the University of Sheffield (“the University”) gives the salary scale for your grade and your Annual Salary. Additional Annual Leave will mean that your Annual Salary for the leave period covered will be reduced until the end of the leave period by an amount equivalent to the salary for the number of days requested; each day considered to be about 1/260th of a year. An equivalent number of days of additional leave will be provided by the University. At the end of this period, your salary will no longer be reduced by this amount.

The University reserves the right to amend or discontinue Additional Annual Leave should the University determine that it is appropriate for it to do so taking into account such matters as it may determine relevant from time to time including changes to UK tax and National Insurance Contributions legislation. Should this happen, reasonable notice would be given of the change, which will coincide with the end of a leave year.
