PRESENTATIONS AND PUBLISHED ABSTRACTS

Saedon H, Aboumarzouk O, Johna S, Balasubramanian SP. Normal appendix at laparoscopy for acute right iliac fossa pain: to remove or not to remove?
  • Poster presentation at the annual meeting of the ASGBI, May 2009.

Sood SK, Balasubramanian SP, Harrison BJ. OPG, RANK, RANKL and TRAIL expression in thyroid disease.
  • Poster presentation at the annual meeting of the BAETS, October 2008.
  • Oral presentation at the ISW 2009, Adelaide.
  • WJS supplement, 2009.

Robinson PM, Menakuru S, Reed MW, Balasubramanian SP. Description and reporting of surgical data. Scope for improvement?
  • Oral presentation at the annual Meeting of the ASGBI, April 2007, Manchester.

Kumar S, Oommen M, Lambertz M, Balasubramanian SP. Postoperative fluid management: Current practice and trainees’ perceptions.
  • Poster presentation at the annual meeting of the ASGBI, April 2007, Manchester.

Balasubramanian SP, Cox A, Cross SS, Higham S, Brown NJ, Reed MW. VEGF polymorphisms and haplotypes and their relationship with circulating and tumour VEGF levels, breast cancer susceptibility and severity.
  • School Research Day, University of Sheffield, June 2006, Sheffield.

Mettu SR, Srinivas S, Natanasabapathy S, Balasubramanian SP. Accuracy of references in general surgical journals – An old problem revisited!
  • Annual meeting of the Association of Surgeons of Great Britain and Ireland, May 2006. Edinburgh.

Tiruvoipati R, Balasubramanian SP, Giles P. Efficacy of exogenous surfactant in adult patients with acute respiratory failure
International symposium on Intensive Care and Emergency Medicine, March 2006. Brussels

Tiruvoipati R, Balasubramanian SP, Atturu G, Giles P, Elbourne D. Reporting Standards Of Randomized Controlled Trials In Cardiothoracic Surgery: Can We Improve?

Society of Cardiothoracic Surgeons of Great Britain and Ireland, March 2006. Ireland.

Claydon PE & Cockcroft J, Balasubramanian SP, Reed MWR. Is clinical examination still relevant in the initial evaluation of symptomatic breast disease?

British Association of Surgical Oncology, November 2005, London

Transatlantic Microcirculation Conference Durham NH USA in Sept 2005

‘Microcirculation’ journal supplement 2005.

Mettu S, Siwach V, Mahawar K, Dhanda R, Sabapathy B, Angral R, Sharma AK, Wig JD. Need for Advanced Trauma Life Support (ATLS) Based Trauma Care Training Among Surgical Residents: A Problem Based Questionnaire Study.

Balasubramanian SP, Wiener M, Alshameeri Z, Tiruvoipati R, Elbourne D, Reed MW. Surgical Randomised Controlled Trials: Science or Pseudo Science?

Fifth International Congress on Peer Review and Biomedical Publication, September 2005. Chicago.

North Trent General Surgery Registrar’s day, 10th November 2006. Sheffield.

Kumar ID, Cross SS, Balasubramanian SP, Brown NJ, Reed MW. Vascular Endothelial Growth Factor Receptor-2 and Neuropilin-1 expression in invasive breast cancer.

Balasubramanian SP, Cross SS, Kumar ID, Cox A, Brown NJ, Reed MW. VEGF expression in breast cancer micro array: correlation with prognosis and polymorphisms in the VEGF gene.

Kumar ID, Cross SS, Balasubramanian SP, Brown NJ, Reed MW. Neuropilin-1 expression pattern in invasive breast cancer.

Balasubramanian SP. Cross Speciality Management of Sarcomas. Illustration of a case.

Balasubramanian SP. Gene Polymorphisms in Breast Cancer: searching for the holy grail?
  • North Trent Breast Education Meeting, 8th October, 2004. Sheffield.

Bury JP, Cross SS, Balasubramanian SP, Reed MW, Lewis CE. Co-expression of Id2 and HIF-1α in breast carcinoma.
  • J Pathol 2004; 204:48A.

Bury JP, Cross SS, Balasubramanian SP, Reed MW, Lewis CE. Id2 expression is inversely correlated with tumour grade in breast cancer.
  • J Pathol 2004; 204:17A.

Cross SS, Balasubramanian SP, Evans CA, Reed MW, Hamdy FC, Rehman I. S100A6 is overexpressed in breast cancer and is significantly associated with increasing tumour grade but not with axillary lymph node metastasis.
  • J Pathol 2004; 204:13A.

Cross SS, Balasubramanian SP, Evans C A, Reed M W R, Holen I. Osteoprotegerin is overexpressed in breast cancers and intratumoural endothelial cells and is significantly associated with tumour grade but not with axillary lymph node metastasis.
  • J Pathol 2004; 204:14A.

Cross SS, Yang Z, Balasubramanian SP, Brown NJ, Reed MW, Coleman RE, Holen I. Osteoprotegerin (OPG) expression by tumour endothelial cells – a potential role in breast cancer development?
  • Microcirculation meeting, September 2004, Munich.

Balasubramanian SP, Kumar ID, Wyld L, Reed MW. What happens to abstracts presented at national surgical meetings.
  ☞ Paper presentation at the Travelling Surgical Society of Great Britain and Northern Ireland.
     19th September 2003, Sheffield.

Balasubramanian SP. Proposal to develop a ‘Clinical and Research Database for Soft Tissue Sarcoma’.
  ☞ DMI course residential at the Royal College of Surgeons of Edinburgh. 10th March 2004, Edinburgh.

Kumar ID, Balasubramanian SP, Wyld L, Malcolm MW. Reasons for non-publication of ASGBI abstracts.
Cox A, MacPherson G, Bhattacharryya NP, Balasubramanian S, Reed MW and Meuth, M. Exploring genetic susceptibility and gene-gene interactions in breast cancer: genes involved in apoptosis (abstr.).

Balasubramanian SP, Brown NJ, Reed MW. Role of a polymorphism in 3’-untranslated region of vascular endothelial growth factor gene in breast cancer.
Poster presentation at the 93rd Annual Meeting of the American Association of Cancer Research, San Francisco, April 6-10, 2002.

Balasubramanian SP. Statistics for beginners. An algorithmic approach to simple statistical tests.
Presentation at the Department Meeting, Academic Unit of Surgical Oncology, University of Sheffield.
General Surgery Specialist Registrars teaching session, May 2003.

Balasubramanian SP. Fisher PW. ‘Abdominal wall abscesses resulting from sigmoid pathology’ in the Post Graduate Clinical Meeting, Caithness General Hospital, Wick 12th January 2001.

Balasubramanian SP. Bose SM. ‘Neoadjuvant chemotherapy in locally advanced breast cancer – follow up of 37 cases’ presented at the 19th annual conference of Association of Surgeons of India – Northern Chapter, Ludhiana, 1998.
