GETTING OUT AND ABOUT

Walking
All University residences are within walking distance of the Students’ Union and academic buildings. Travelling around Sheffield is really easy – despite a few hills!

Cycling
Getting around on two wheels couldn’t be simpler here. Cycle storage is available to keep your bike safe if you have one. There are plenty of cycle lanes, paths and routes around the city – Sheffield’s a bike-friendly place.

Driving
We don’t recommend bringing a car – Sheffield has great public transport links and everything you’ll need is in walking distance. If you do need to bring your car, there are limited parking places available at Ranmoor/Endcliffe. You just need to pay for a parking permit. There is no parking available at City residences.

Buses and public transport
All University residences and academic buildings have excellent transport links. Special student rates are available on the bus and tram to help you save some money.
Taxis and getting home safe

We’ve partnered with Sheffield City Taxis to make sure you’re never stuck anywhere. Our Safe Taxi Scheme means that if you run out of money, you can hand your UCard to a Sheffield City Taxi driver and they will take the card instead of payment. You then collect your UCard and pay your fare within 48 hours at the Students’ Union Box Office. Every night of the week during term time we also run a Students’ Union Women’s Minibus service.
