Discovery Days

Select your choice of workshops from the options below

The Benefits of Applying to Russell Group Universities
Providing guidance and support for Y12 & Y13 students looking to apply to research intensive universities.

Choosing a Course at University
Helping students choose a course that is right for them by introducing them to a wide range of subject choices, including advice on subject combinations and how to make an informed decision about their future.

Introduction to Higher Education
An overview of the basics of university and how it differs from school. This session will cover types of qualifications, routes into HE and the benefits of studying at university.

Student Ambassador Q & A
Each Discovery Day will include dedicated time for your students to ask current undergraduates questions about their personal journey through university.

Personal Statement Writing
Workshops designed to help students fully understand what universities are looking for in a personal statement and guidance on how to write their own applications.

Student Life
Students can find out about all aspects of student life, including: academic study, accommodation, societies and sports, along with the opportunity to talk to current undergraduate students.

Student Finance
A myth-busting session covering the student finance process, from how to fund your studies to repayments and additional financial support such as bursaries and scholarships.
