Discovery Days

Select your choice of workshops from the options below

Confidence & Resilience
Builds students’ resilience and helps them to develop strategies in order to complete their work against a variety of setbacks and pressures.

Creative Thinking
Helps students to gain transferable skills by developing the desire and ability to engage in creative thinking.

Debating
Builds students confidence through debating issues with their peers. Students will also learn transferable skills in how to effectively structure an argument.

Goal Setting
Helps students think about their long term progress and goals in relation to their current education.

Note Taking
Helps students fully understand the value of good note taking, as well giving them new methods with which to do so.

Presentation Skills
Builds confidence around issues of communication anxiety and public speaking. Students will learn how to communicate effectively to a variety of audiences.

Revision Skills
Helps students to revise effectively. Students will learn a variety of revision strategies alongside core memory principles and tackling procrastination.

Research Skills
Teaches students how to locate and reference academic journals and guides them in critically evaluating sources of information. Particulary suited to EPQ students.

### Discover More

You can choose 3 (or more) Discovery Days for your eligible students. Each Discovery Day comes with a Discover More visit to the same cohort of students.

We will come to your school or college and deliver a 1 hour workshop. You can choose any of the Intro to HE or Study Skills sessions listed here.

To book or for more information, please contact: partnerships@sheffield.ac.uk
