Discovery Days

**Select your chosen Subject Taster day from the options below and overleaf**

**Korean Studies (23/10/2019)**
The day will consist of a short Korean language taster session followed by a short seminar in Korean Popular Culture and a K-Pop dance masterclass with the K-Pop Student Society. (Y9/Y10)

**Music: Protest Music (13/05/2020)**
Discover the impact that protest songs have on popular culture and political movements. Students will study a variety of disciplines including: Music, English, Psychology and Philosophy, to create their own protest song. (Y10)

**Languages (20/05/2020)**
Pupils will sample a range of languages taught at the University of Sheffield. Students will find out the benefits of studying a language and the range of worldwide employment opportunities available to them. (Y9/Y10)

**Journalism Studies (21/01/2020)**
Guided by our tutors and students, budding reporters will be presenting a piece to camera either on location or from our television studio; as well as attending a mock press conference. (Y12/Y13)

**Careers Days**
Sessions will include a subject taster along with a careers workshop with a focus on decision making and how to choose subject combinations. (Y10/Y11)

Sessions include:
- Medicine (11/03/2020)
- Dentistry (14/05/2020)
- Engineering (2/06/2020)
- Science (9/07/2020)

**Things You Can’t do in Schools**
We’ll deliver at least 3 exciting taster sessions in subjects your students won’t have experienced. Previous sessions have included: Architecture, Journalism and Chinese Studies. (Y9/Y10)
