Sheffield

Make the most of your visit to our unique city. There’s lots to see.

You can pick up a city tour leaflet from one of the Information Hubs.
How to get here

By train and tram
Travelling by train to Sheffield is easy. We’re on all the mainline routes across the UK. From the train station there’s a tram roughly every ten minutes to campus. Get the blue line towards Malin Bridge and ask for a ticket to the University.

Our student ambassadors will be at the train station so if you need any help, please ask them.

By coach
National Express nationwide coach service has connections from around the country that stop at the Sheffield Transport Interchange, Pond Street. Megabus Coaches also stop at the Meadowhall Interchange which is accessible by Supertram from the city centre.

By car
It can get very busy around campus and we encourage visitors to use the tram or train to park and ride. For locations and prices see: www.sheffield.ac.uk/visitors/mapsandtravel

There are a range of parking options available in the city centre. We recommend checking the Sheffield City Council web pages for travel, parking advice and a map of public car parking available at: www.sheffield.gov.uk/home/parking

There are multi-storey car parks located on the University campus on Durham Road and Solly Street. Both these car parks are operated by Q Park – for locations and prices see: www.q-park.co.uk/parking/sheffield

Stay over
If you’d like to spend more time in Sheffield before or after your open day, we can recommend some great hotels, B&Bs and restaurants. This gives you a chance to explore the city further and get a feel for it. We even have our own boutique hotel, Halifax Hall Hotel.
